

AWKC Practice Policy

All drivers must fill out sign on sheet for the day, everyday they attend for practice. Sign on sheets will be available as you enter the out grid.

KA licence must be available for inspection by club personnel

Practice is restricted between the hours of 8.00am and 7.00pm or dusk (whichever is the earliest) any day unless the track is closed for club or other events.

All Cadets and Juniors must have adult attending at all times

All drivers must have current KA licence and comply with all KA rules especially in relation to types of karts used and safety apparel.

Race direction will always be clockwise using the full track as delineated by tyre barrier and cone placement. No short cuts or cut throughs to be used.

Alternate track configurations may only be used the day before an event where this alternate track configuration will be used.

Practice should be limited to 10 minute sessions in each group (ie. Cadets or Juniors or Seniors)

Mechanical breakdown area may be used during this 10 minute session. It is forbidden to stop on the track for any mechanical adjustments, refuelling or driver instruction.

AWKC Non Members

A \$25.00 per day per driver practice fee will apply to all non AWKC members. This will not apply for the duration of a permitted event if practice is listed on the supplementary regulations for the day.

Free practice for non members will be provided the day before a race meeting for those who have pre entered the event.

Prior to attending the circuit for practice please call one of the club committee below to pay the practice fee and get the gate code for circuit access.
